

## Why We Cleanse & Purify Our ENTIRE Bloodline

*"The LORD is slow to anger, and abundant in lovingkindness, forgiving wickedness and transgression; but He will by no means clear the guilty, **visiting (avenging) the wickedness and guilt of the fathers on the children, to the third and fourth generations** [that is, calling the children to account for the sins of their fathers]."*

Numbers 14:18

There's a lot of discussion and debate around how much of our own ancestral line it is necessary to cleanse and purify. Many times in the scriptures, it is said that God will deliver the inequities of the parents three or four generations down the lineage.

While this is true, this is only speaking to what GOD will put on a bloodline based on the actions, wrong actions and inactions of an individual in that family lineage. However, a witch can put a CURSE on a bloodline that can last centuries. For example, the Grimaldi royal family of Monaco has had a horrible record of bad and even tragic marriages. It turns out that in the 13th Century, a Grimaldi king kidnapped a witch. In retaliation, she placed a curse on the Grimaldi family line that they would never have a happy marriage. That was eight centuries ago. One can see by their current affairs that the curse is still in place.

THIS is why when we do the clearing prayer protocols, we cover our bases by saying "my entire bloodline back to Adam and Eve" with regards to cleansing bloodlines. There's an old saying: "pray like a lawyer." Which means to say, cover your bases!

In conclusion, it is not always sufficient to repent for only four generations back through our bloodline. Iniquities passed down the lineage by God are only one part of the equation when it comes to the warfare we are up against. Remember, repenting on behalf of ourselves and our bloodline removes any legal access, cases and rights that the adversary has been able to hold against us. This removal of legality of warfare against us gives us greater power, authority and efficacy as God's Army of Intercessors. A lot of us are here at this time to cleanse our entire bloodline once and for all, so that we may enter our new Promised Land baggage free and spiritually free.
